Orbit Digital: Proposal

15 years of retail technology leadership
RFP KRL-2026-07 · Cloud Order Management Platform with ERP Integration · Kestrel Retail Ltd

1. Executive Summary

Orbit Digital brings 15 years of retail technology experience and more than 40 order management implementations to Kestrel Retail Ltd. Our proven OrbitOMS platform is trusted by leading retailers across India and the Middle East.

We understand that Kestrel seeks to modernise order management and connect its channels and ERP.

2. Proposed Solution and Integration

- OrbitOMS is a mature, cloud-hosted platform used by 40+ retailers.
- Integration approach to be determined during discovery once Kestrel's SAP landscape has been assessed. Connectors for marketplaces and POS are subject to discovery.
- The platform scales to meet the needs of large retailers.

3. Implementation Approach and Timeline

Orbit follows its proven Orbit Launch methodology over 20 weeks:

Phase	Weeks
Discovery	1–4
Build	5–14
Test	15–18
Go-live	19–20

A dedicated team led by a senior project manager will be assigned. Team size to be confirmed after discovery.

4. Commercial Proposal

Item	Basis	Amount (INR)
Implementation	One-time (estimate)	85,00,000
OrbitOMS licence	Per year × 3 years @ 40,00,000	1,20,00,000
Support	Per year × 3 years @ 5,00,000	15,00,000
Total 3-year cost		**2,20,00,000**

Assumptions: implementation cost is an estimate and may change after discovery; integration effort beyond standard scope will be billed on time and materials. Prices exclude GST.

5. Security and Compliance

- ISO/IEC 27001 certified since 2016; SOC 2 Type II report available under NDA.
- Encryption at rest and in transit; MFA for administrators; audit logging.
- Data hosted in India.

6. Support, Experience and References

Support: 24x7 for P1 incidents with 30-minute response; business-hours support for other issues; dedicated account manager.

Experience: 15 years in retail technology; 40+ OMS implementations; 120 retail professionals on staff.
